PART V: TAX WITHHOLDING ELECTION

(Substitute form W-4P (OMB No. 1545-0074))

Please indicate the amount you would like to have withheld from your distribution. The law requires that federal and, in certain states, state income tax be withheld from your IRA distribution, unless you elect that withholding does not apply by checking the boxes below. If you elect not to have withholding apply to your distribution, you may be responsible for the payment of estimated taxes. **Note: You may wish to consult your tax advisor before waiving withholding as you may incur penalties for not paying enough tax during the year.**

If no election is made, Federal (10%) and possibly State Income tax will be withheld. State Income Tax withholding may be required if you have elected to have Federal Income Tax withheld. Your elections will remain in effect for all distributions until you revoke them. You may revoke the elections at any time by completing and returning a new Federal W-4P and/or state equivalent election form.
